specified and who desired no office at their hands.

He then made an exhaustive review of the public finances and the public debt, which he warned the people never to permit to become a permanent debt. His remarks on this head were in accord with his previously expressed views of political economy in his messages to Congress.

He then made a defense of his exercises of the pardoning power, He was not infallible, he said, and might have pardoned some that ought not to have been pardoned, and neglected to pardon others entitled to pardon. He had acted from the property in the family circle causes the men to others entitled to pardon. He had acted from the pipers with the light before him. He spoke three quarters of an hour to the
